

Ken-tor rik'faiyan (by T'Prion; based on *Dahr-krus* by Surak)

Ken-tor rik'faiyan...

Worla puthinoi fan-orenan.
To'ovau eik-veshtaya kau
Lu ri puvikatau veshtaya
Goh na'kastorilaya t'kashan.

Fai-tor dan-ek-yeht'es,
Vun-namautau etek fai-tukh,
Mesakh'hal-tor skonnlar
Ik patal-tor kash-rallar,
Ken-tor rik'faiyan.

Ken-tor rik'faiyan...

Bai'ri-vikataun, tal-tor etek.
Ni ta rish-tor koshtri vuhlkansu,
Nash nahr ta vun tren-tor etek
Bai'ar'kadan k'kashek tik-gad.

Fai-tor dan-ek-yeht'es,
Vun-namautau etek fai-tukh,
Mesakh'hal-tor skonnlar
Ik patal-tor kash-rallar,
Ken-tor rik'faiyan.

Ken-tor rik'faiyan...

Ken-tor rik'faiyan...

Fai-tor dan-ek-yeht'es,
Vun-namautau etek fai-tukh,
Mesakh'hal-tor skonnlar
Ik patal-tor kash-rallar,
Ken-tor rik'faiyan.

Ken-tor rik'faiyan.

Ken-tor rik'faiyan.

Ken-tor rik'faiyan.

To understand without knowing

To understand without knowing...

No learning is ever wasted.
Wide experience increases wisdom,
provided the experience is not sought
purely for the stimulation of sensation.

To know the ultimate truth,
we must transcend knowledge,
go beyond surfaces
that our senses detect,
to understand without knowing.

To understand without knowing...

By not seeking, we find.
So that the Vulcan species to survives,
this is the discipline we must master
By working daily with the mind.

To know the ultimate truth,
we must transcend knowledge,
go beyond surfaces
that our senses detect,
to understand without knowing.

To understand without knowing...

To understand without knowing...

To know the ultimate truth,
we must transcend knowledge,
go beyond surfaces
that our senses detect,
to understand without knowing.

To understand without knowing.

To understand without knowing.

To understand without knowing.
